

3.1 Practice A

In Exercises 1 and 2, determine whether the relation is a function. Explain.

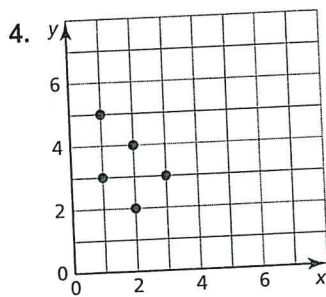

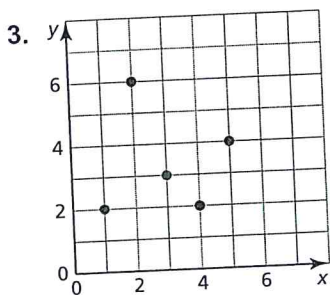

1.

Input, x	8	4	2	4	8
Output, y	-4	-2	0	2	4

2.

Input, x	0	2	4	6	8
Output, y	3	7	11	15	19

In Exercises 3 and 4, determine whether the graph represents a function. Explain.

In Exercises 5 and 6, find the domain and range of the function represented by the graph.
